RE: Corrective Measures Study Addendum for SWMUs 1, 23, 24, and 25, Naval Station Mayport, USEPA ID #FL9 170 024 260, Mayport, Florida (Tetra Tech NUS, June 28, 2007)

Dear Mr. Syme:

I have reviewed the subject document dated June 28, 2007, which was received on July 3, 2007. This letter report is an addendum to the Corrective Measures Study (CMS) Report for Solid Waste Management Units (SWMUs) 1, 23, 24, and 25 which was issued on November 10, 2004. The report is adequate for its intent and purpose. However, at the next Partnering Meeting(s), we need to discuss benzo(a)pyrene equivalents and how to arrive at these results (and how to report them).

Thank you for the opportunity to review this document. If you require additional clarification or other assistance, please feel free to contact me at 850/245-8999.

Sincerely,

John Winters, P.G.
Remedial Project Manager
